

The Brief

Volume 1, Issue 21

WORKING TOGETHER GETS RESULTS!, Chairman Rick Lacey

Congratulations Brevard Republicans- WE DID IT!!!

As you know, two years ago I set a goal for us to reach 200,000 registered Republicans in Brevard County by November 2024.

Some people told me this was not possible.

Today, I am very happy to announce that by working together, Brevard County now has 200,270 registered Republicans. That is 83,549 more Republicans than Democrats!

We achieved this goal by working together.

Now let's work together and try to get every registered Republican to vote.

BREC leadership has raised record funds the past two years. Our campaign plan is using these funds for voter guides, direct mail brochures, door hangers, lawn signs, and more to turn out the vote.

You can help by volunteering at our phone banks, early voting sites, poll watching, covering the headquarters, canvassing door to door and more.

Again if we work together we will set another record this year. We will set a record for Republican voter turnout.

Working together we will Elect Donald Trump, Rick Scott and our Republican team and celebrate a great victory on November 5th.

Rick Lacey, Chairman Brevard Republican Party

School Board District 4 , Matt Susin

Matt Susin is an energetic current member of the Brevard County the school board. During his initial term Matt acted as the Board chairman and guided the School District in addressing organizational improvement, implementing curricula changes and addressing social issues that were disruptive to operations.

Key actions during Matt's tenure were the selection and installation of a new School District Superintendent, creating trade school program for aviation, manufacturing, welding and construction, and the incorporation of improved disciplinary rules (no phones, dress code). Matt also championed parental rights to direct the course of their children's education. Here is a list of addition measures that matter;

Education Results;

- Achieved an A rated School District
- No D or F rated individual schools
- The highest graduation rate in 22 years

Personnel:

- 96% Teacher retention rate

- Highest Pay increases in history
- Closed the wage gap for school staff and bus drivers

Mental Health of Students:

- Increased the number of Social Workers
- Increased the number of School Psychologists
- Increased the number of Behavior Technicians

Your wallet:

- Paid of \$304 million in debt
- Cut \$42 million in Wasteful spending
- Increased School District Credit Rating

If you look at Matt's website site you will get a sense of the support he has from our State and community. He has 19 endorsements, ranging from Governor DeSantis, radio icon Bill Mick to the Brevard County Firefighters and the Brevard Federation of Teachers. You will see a list of 24 different Professional Awards which Matt has received from National, State and local institutions. These awards range from the a Citizenship Education Teacher Award from the Veterans of Foreign Wars to the State Department of Education (Vocational Rehab) School Board Member of the Year Award. This showcases Matt's span of community engagement and breadth of experience.

Matt believes that education is the key to our future, and it begins with strong values and a commitment to excellence. Given Matt's experience, accomplishments, community support and professional recognition he is the right choice for District Four's School Board seat. The Brevard Republican Party encourages all residents of **District 4 to Vote FOR MATT SUSIN for School Board.**

Xiaoqi Wang, Precinct 419 Committeewoman, District 4 Chairwoman

There is so much noise surrounding this election. It can wear you down. You stop and think, is my vote worth it, will it matter if there is fraud in the election, what does one vote really matter?

The resounding answer is YES your vote really matters. In 2024 there have been 47 different elections that have ended in a tie or were settled with one vote. The federal races are important and top of mind, but here in Brevard County there are additional races; 10 Partisan races (where ballots are marked R and D) and 25 Non-Partisan races (no party indication on ballot). Then there are judges, amendments and referenda to vote for. It would be a shame if any of these races were decided by just a single vote. So please cast your ballot!

Yikes you think. That's a substantial number of items to research for my vote! The Brevard Republicans have published a 2024 Voter Guide to assist you in this endeavor. You can find it here -

<https://brevardrepublicans.org/2024-voter-guide/> .

If you know (or think) you will be traveling it is not too late to request a mail in ballot. The deadline is October 24.

Not traveling? Vote early! Early voting starts on the 21st. There are 10 locations throughout the County you can vote at, no matter where you live. Vote early on weekdays and miss the lines.

For hours and locations click here - <https://www.votebrevard.gov/Election-Information/Early-Voting>

So please go vote. It matters. If you have friends and family in other states, tell them to go vote and to vote early. To quote Elon Musk - "If Trump is NOT elected, this will be the last election. Let me explain: if even 1 in 20 illegals become citizens per year, something that the Democrats are expediting as fast as humanly possible, that would be about 2 million new legal voters in 4 years. The voting margin in the swing states is

often less than 20 thousand votes. "That means if the 'Democratic' Party succeeds, there will be no more swing states!!!"

Dave Fosdick, Precinct 511 Committeeman, District 5 Chair

Greetings from your local Moms for Liberty Brevard group. My name is Karen Fulton and I am the chapter chair for Moms for Liberty, Brevard. I have two children and three grandchildren, all living out of town. I believe in our responsibility to work for our community and families of Brevard. I would like to give you some information about our organization.

We are honored to be the birthplace of Moms for Liberty. Our co-founder, Tina Descovich started it right here in your backyard. We have grown to over 300 chapters in 48 states. We have over 260,000 members in our organization. It is exciting to surround yourself with like-minded people, working for a common goal.

Moms for Liberty is dedicated to fighting for the survival of America by unifying, educating and empowering parents to defend their parental rights at all levels of government. We stand for truth. We build relationships. We empower others. The Covid era helped America to see the status of our education system. Now we have moved from our fight about mask and vaccine mandates to other issues. We are concerned about appropriate reading material for our students. We were appalled at books we found on the shelves in our county. We bring a spirit of celebration around Constitution Day by delivering 5,000 pocket constitutions to our eighth graders. We are the watchdogs over our school board, to see where we can step in and help.

We hold decision makers accountable or we work to replace them with liberty minded individuals. We held a candidate forum to get to know the candidates for school board. We endorsed Matt Susin for District four. He won his primary and is running in the general election against left leaning Ava Taylor. We will be involved with helping him get across the finish line. Please help to spread the word to **vote for Matt Susin**.

Karen Fulton, Brevard County Chapter Chair for Moms for Liberty

We need assistance in door to door canvassing, placing calls for candidates, and providing information to voters at the Early Voting locations.

It is simple to volunteer;

Go Online:

- Get out the vote volunteers (knock, call) - <https://brevardrepublicans.org/get-involved/volunteer/>
- Special questions - email info@brevardrepublicans.org

Or just call the BREC office 321-254-0073 weekdays between 10:00 and 2:00.
