<b>Discussion on Brevard County Amendment and Referenda</b>	
<b>Charter Amendment, Article 2, Salary</b>	<p>The current County charter sets the compensation of the Commissioners to \$60,273 per year. The amendment proposes to pay the Commissioners at 90% of the salary calculated per Florida Statute, as other County Commissioners are paid. This would bring their salary to ~\$102,509.</p> <p>A YES vote would provide a \$42,000 pay raise and place commissioners at a pay level similar to commissioners for similar size counties.</p> <p>A <b>NO</b> vote would leave salaries as is.</p>
<b>Economic Development Ad Valorem Tax Exemptions</b>	<p>This Charter element that requires periodic re-affirmation. Tax exemptions are an important tool to attract new businesses or encourage business expansion. Concerns are that the companies may not meet their growth obligations, essentially reaping the exemption without the County getting benefits.</p> <p>A <b>YES</b> extends the Commissioners ability to grant tax exemptions</p> <p>A <b>NO</b> takes away their ability</p>
